**HIA HOUSING 100**  
 AUSTRALIA'S LARGEST  
 SEMI-DETACHED BUILDER  
 FOR 5 CONSECUTIVE YEARS  
 (2020 - 2024)

# Turnkey Housing Solutions

Our complete turnkey house and land packages offer the best value to our customers by setting competitive package prices, offering ready-to-move-in builds with quality inclusions, and selecting land on sought-after locations, close to lifestyle amenities, schools, shops, and transport links.

These desirable locations paired with the highest calibre of finishes and architectural design, make these homes popular with owner occupants and investors.

Creation Homes delivers completely turnkey housing solutions, so you don't have to organise anything!  
 Inclusions cover all known site costs plus landscaping, fencing, concrete driveway, letterbox, clothesline and much more! Everything is ready at hand-over so that you or a tenant can move in immediately.

Enjoy the peace of mind of building with Australia's largest house and land package specialist.

## Our experience is your advantage

As a builder of choice, we know our continued success is reliant on our ability to exceed your expectations.

# Inclusions

## PRELIMINARY & SITE COSTS (PENDING PROJECT AND/OR LOT SPECIFIC INCLUSIONS AND CONDITIONS)

---

- International Organisation of Standardisation (ISO) certification for Quality, Environmental and OH & S Management
- Full time supervision by industry leading building professionals
- Drafting of standard customer construction drawings
- Homeowners warranty (HOW) insurance
- Building permit, service authority and associated local council
- Standard site costs including balanced cut and fill up to 500mm, piling up to 40Lm & M Class Waffle Pod Slab
- All site establishment requirements including temporary fencing
- All required sediment control measures
- Scaffold and safety rail where required

## BUILDING FOR QUALITY, EFFICIENCY & SUSTAINABILITY

---

Creation Homes is committed to delivering high-quality, energy-efficient homes. Our designs feature **7-Star ratings** and **BASIX (Building Sustainability Index) compliance**, promoting sustainability and long-term energy savings.

BASIX compliance is assessed individually based on factors such as location, building size, orientation, construction type, landscaping, and fixtures.
