

FLEXIBLE FLOORPLATES

MAXIMISED SPACE, ROOM TO MOVE

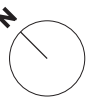

■

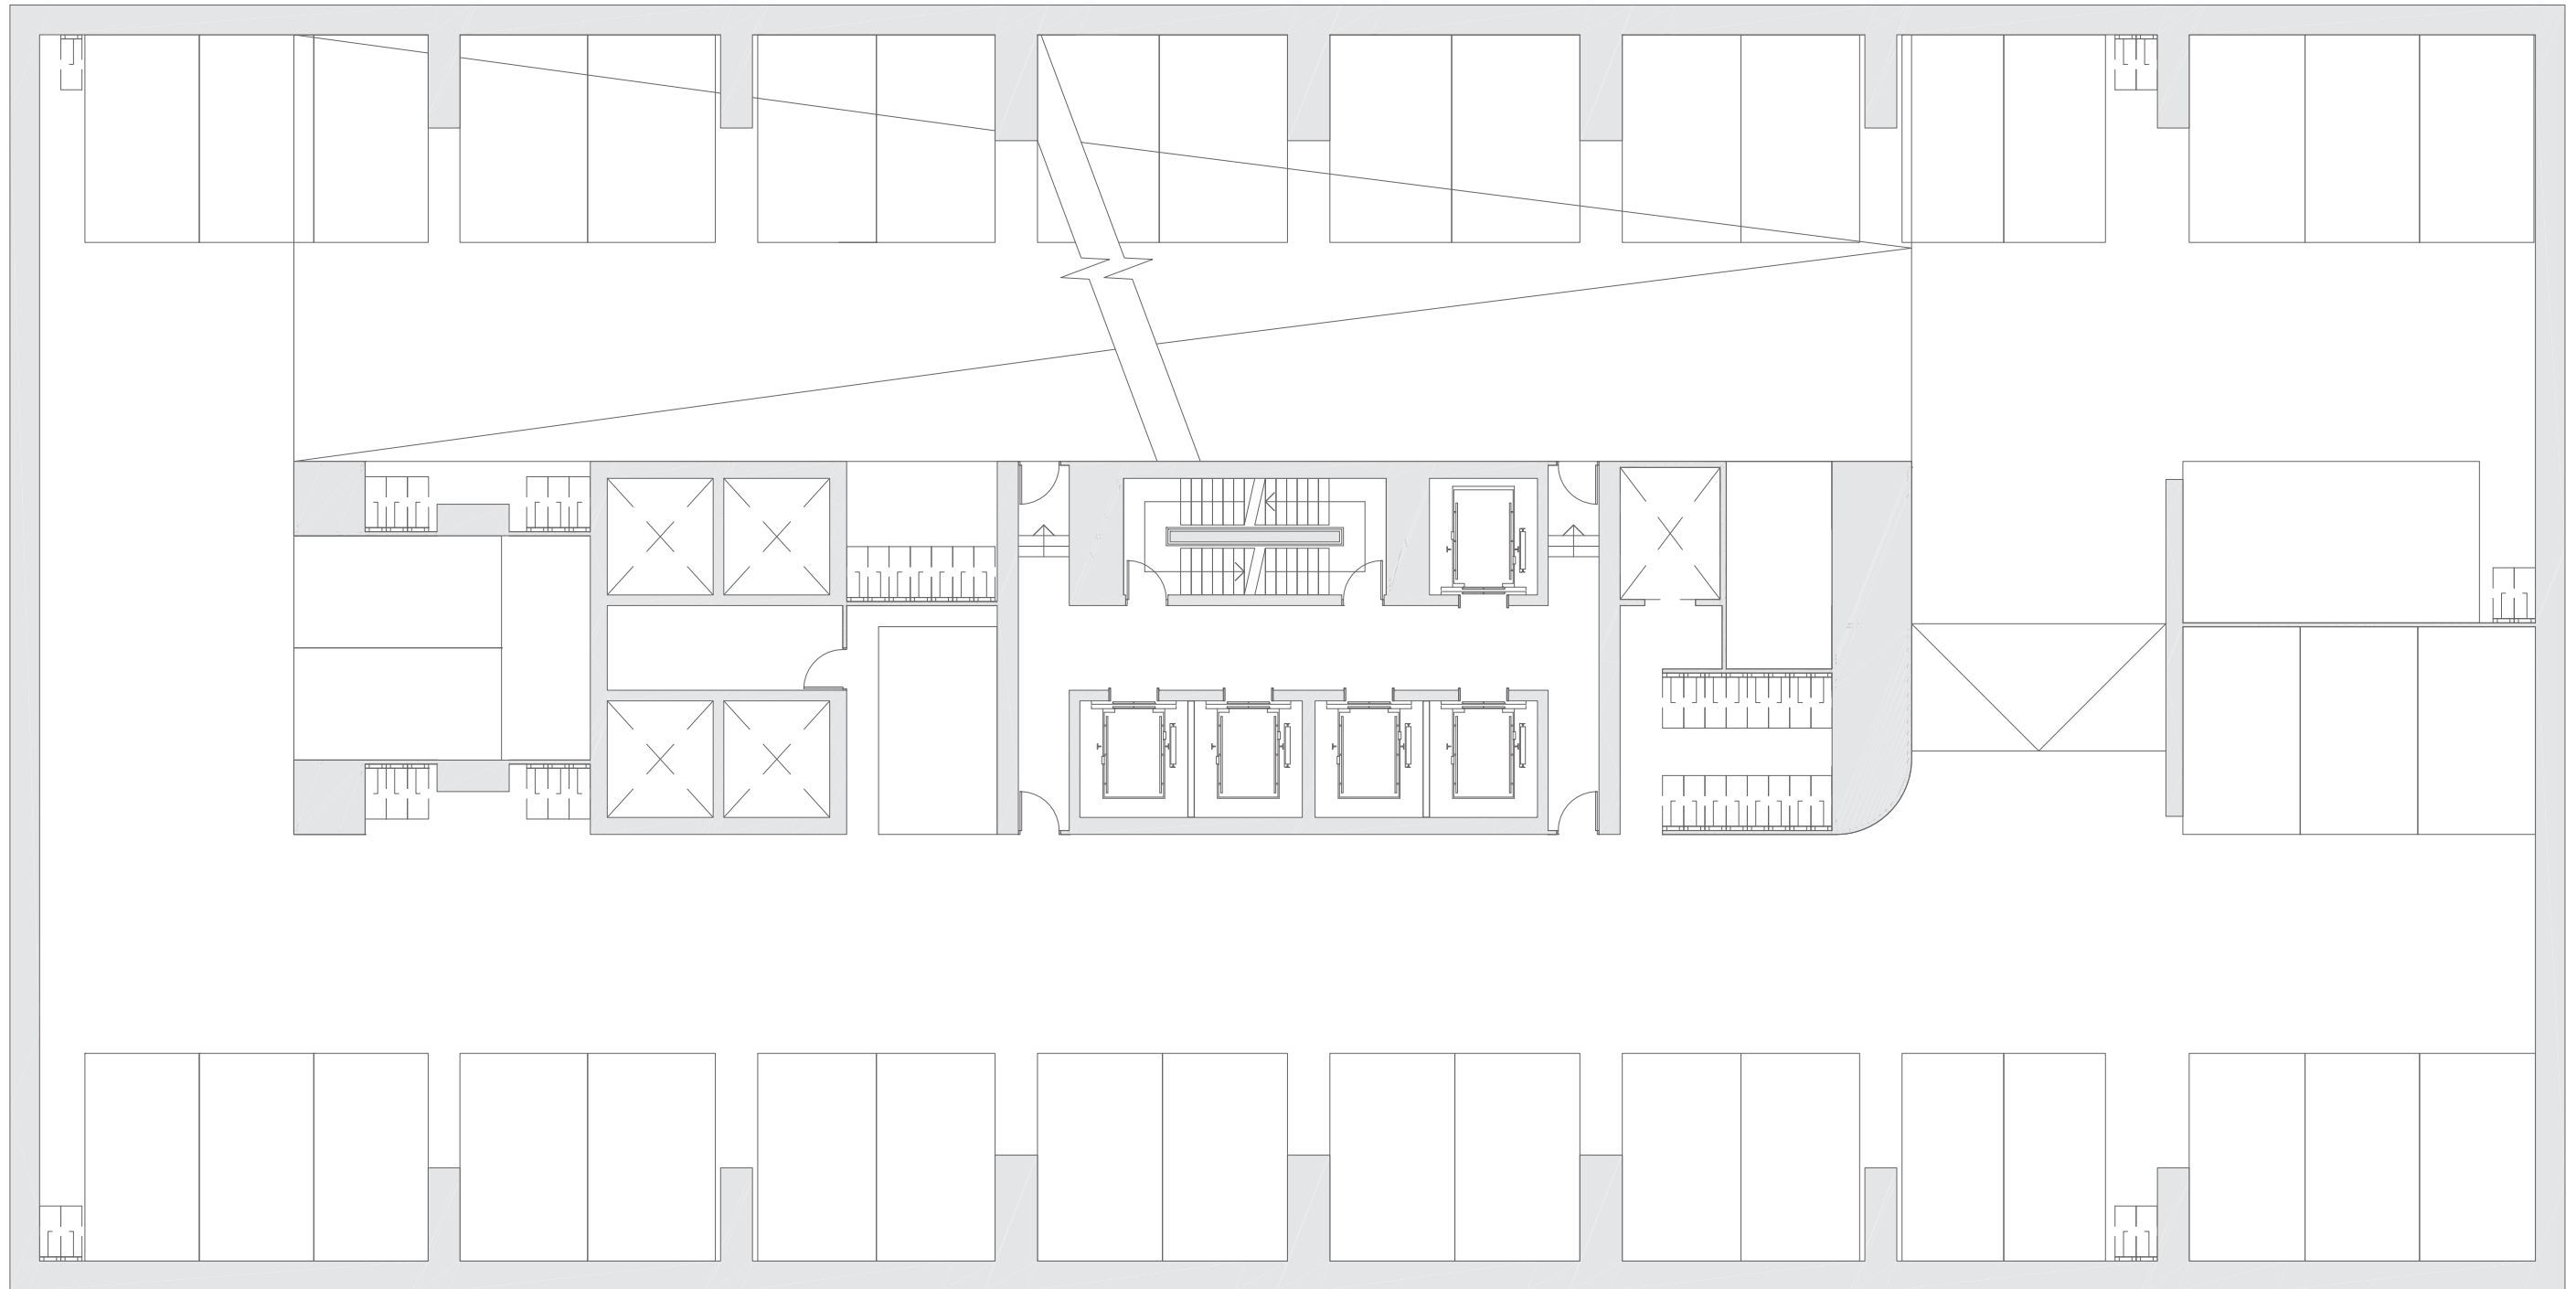

The floorplates at Premier Tower are further proof of this innovative building, with flexibility that provides residents the benefits of maximised space, flexible lift access, multiple entry points and optimal enjoyment of spacious inner-city apartment living. Apartment living with room to move, plus the added bonus of multiple entertaining and activity zones that are cleverly positioned for best possible flow and practical use.

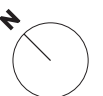

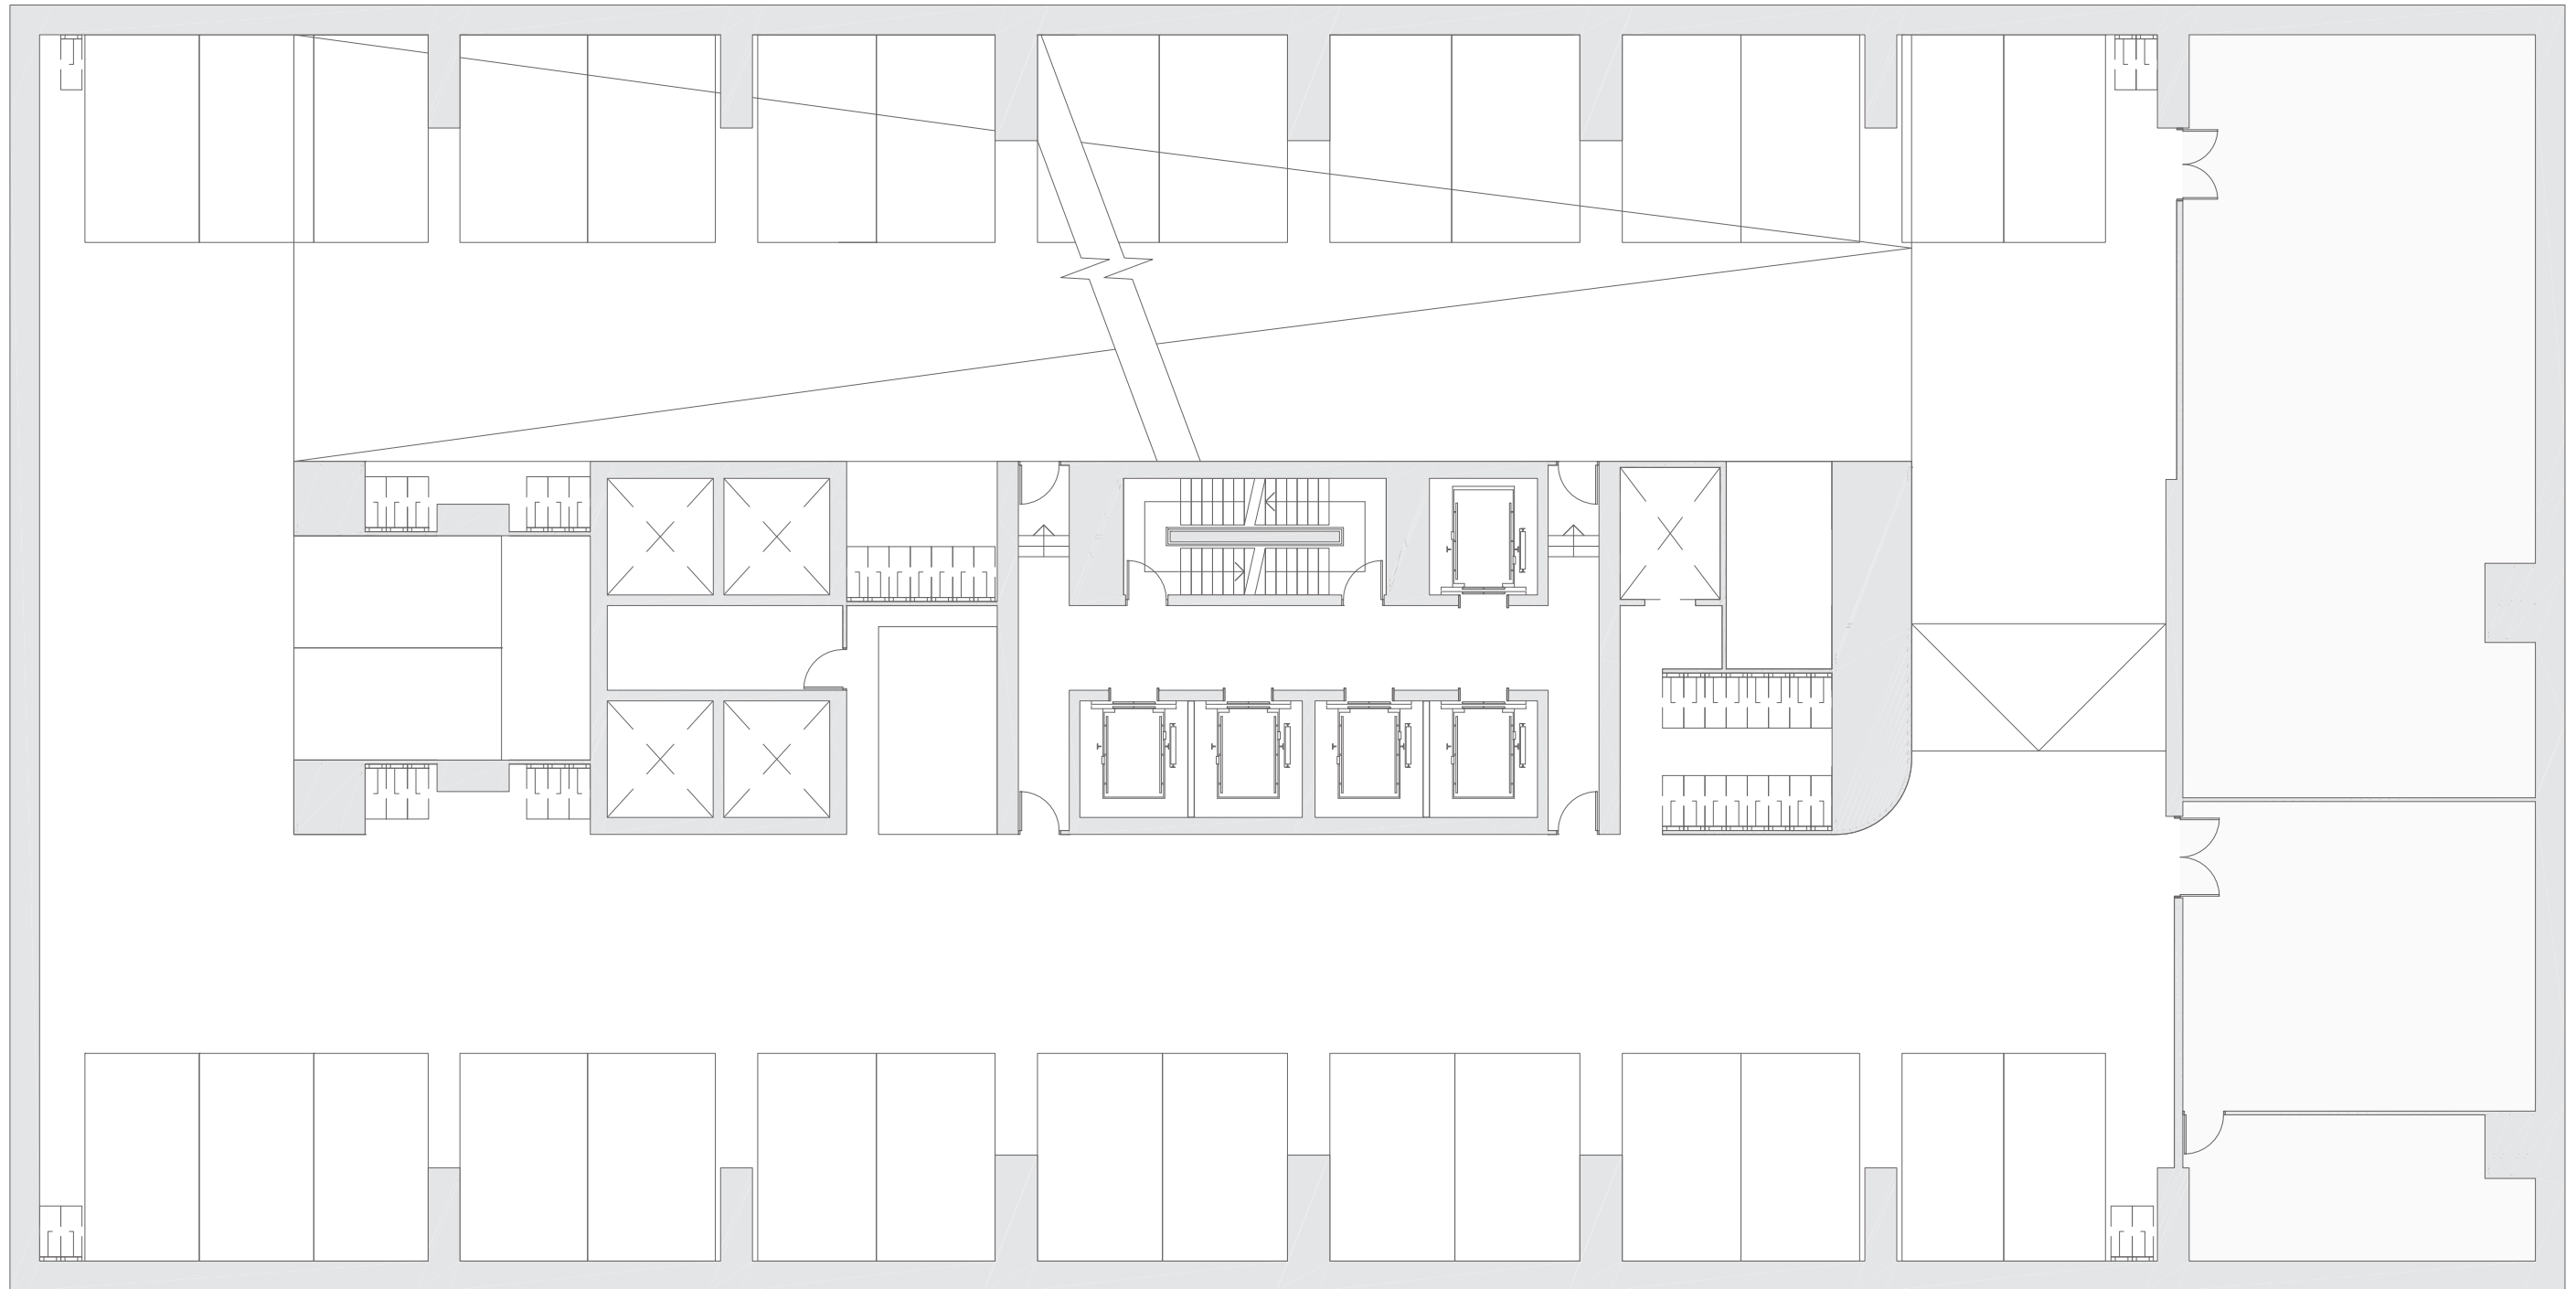

These floor plans were prepared before the completion of the design, engineering and construction elements of the project. The floor plans are intended only as a guide and an aid to further investigations by potential purchasers and are subject to change in relation to areas and dimensions, floor layout, design, engineering, fittings and specifications. The areas and dimensions set out in the floor plans are calculated using the Property Council Method of Measurement for Residential Property current at the date of preparation of the floor plans. Prospective purchasers should make their own enquiries and obtain their own independent legal advice in relation to the contract of sale.
